27-28 Touch right to side, step right together

29-30 Touch left to side, step left together

31-32 Touch right to right, touch right together

REPEAT

TAG

At the end of the 8th wall, repeat counts 25-32 (the touches) and start the dance again. If you start 32 counts before the vocals, this happens on the front wall. Dance the regular steps to the end of the music

ENDING

For a fun ending, stomp on count 17 at the end of the dance on the front wall
